

FIND YOUR FEET TASK

A LEVEL SPANISH:

TASKS

Find just 5 articles in total (of topics that interest you-e.g. World, Entertainment, Sports, news) from the 20 minutes website listed and summarise each one into English, so 5 pieces.

No translations but summaries and noting new vocabulary. Vocabulary is the key to success.

Ensure that you have read and summarised 5 articles (with vocab) and have worked on problematic grammatical areas from Languages Online and done research on the topics. Being prepared and hitting the ground running will help you greatly.

RESEARCH

Research into topics such as Family Life, Music and Young People of the language/country concerned as these will form the first few topics.
