BTEC

APPLIED PSYCHOLOGY:

TASKS

TASK 1: What is the difference between RESEARCH BASED psychology, and APPLIED Psychology.

TASK 2: What areas do Applied Psychogists work in?

TASK 3: Criminal & Forensic Psychology is a popular area of Applied Psychology. Hans Eysenck was a famous Psychologist who claimed that there was a specific 'type' of person who is more likely to commit crimes, based on how their nervous system functions. Watch the video [here](#) and make some notes for yourself about it.

TASK 4: Do Eysencks test to see what personality type you are! Click [here](#) to take the test.
