WHAT HAPPENS AT FIND YOUR FEET?

A STEP IN THE RIGHT DIRECTION

You will experience taster sessions of up to three subjects that you have chosen to study at the college (the subjects you have chosen are in the attached letter). All Level 3 courses last for two years, so these sample sessions are an excellent way of helping you to make an informed decision.

GO ONE STEP AHEAD

With so many subjects to choose from we realise you may want to sample more than three! Why not stay one step ahead and have a **Brain Booster** of another subject? This is optional and will run from 2.15pm - 3.15pm to help you further when making your course choices. If you would like to sample an additional subject, please contact us by **Monday 21st June**.

PUT YOUR BEST FOOT FORWARD

Our enrichment fair will take place during lunch and this is your opportunity to discover the college's diverse Enrichment Programme and to take part in interactive activities, including henna painting and outdoor sport. Keep a look out for the ice cream van with a free treat just for you!
