## WHAT HAPPENS AT GET READY, GET INFORMED?

Get informed through our taster sessions, you will experience up to four subjects that you have chosen to study at college. You will find what these subjects will be on your Cedar account. You will be able to access your timetable for Get Informed through Cedar on **Monday 27th June**. All Level 3 courses last for two years, so these sample sessions are an excellent way of helping you to make an informed decision. With so many subjects to choose from, we realise you may want to sample more than four!

We are offering you the chance of sampling a fifth Brain Booster session of another subject. This is optional and will run from 2.15pm-3.15pm to help you when making your course choices. If you would like to sample an additional subject, then please contact us by **Monday 13th June**.

Get ready for our enrichment fair that will take place during lunch. This is your opportunity to discover the college's diverse enrichment programme and to take part in interactive activities including henna and outdoor sports. Keep a look out for the ice cream van with a free treat just for you!
