

YOUR ENROLMENT JOURNEY!

QUALIFICATIONS ON ENTRY

You will either sit down with a member of staff or be supported to upload your qualifications onto our system. (You **MUST** bring all of your GCSE results with you to your enrolment appointment).

ENROLMENT DISCUSSION

You will have a conversation with a member of staff about your final course choices. It is important to let us know in this meeting if you have changed your mind about your chosen subjects. Your programme of study will be confirmed and we will provide you with valuable information about your welcome day.

STUDENT SUPPORT

Various staff will be available in the atrium to talk through a range of services that we offer including bursary and financial support. Our principal, Mark Kent, will be around, ready to meet and greet you all.

SMILE FOR THE CAMERA!

We will now take your photograph for your student ID card. **We have provided you with a lanyard in your enrolment pack; please bring this with you to your appointment.** You will be issued with your student ID at the end of your appointment ready to be attached to your lanyard. You are required to wear your student ID card when you are in the building, so get your best pose ready!
